COURSE GUIDE

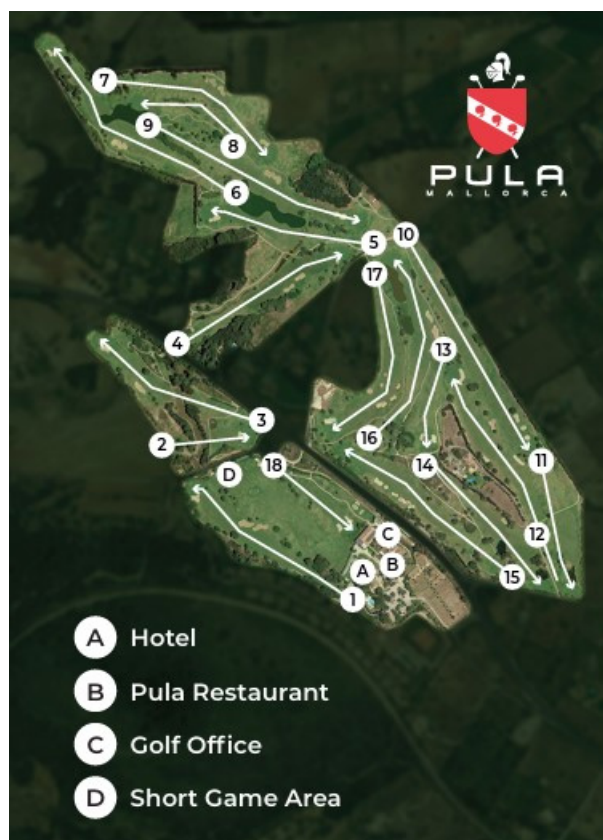

The course at Pula Golf was founded in 1995, and completely redesigned by Spanish icon José María Olazábal between 2004 and 2006 to satisfy the demands of international and professional golf. It has been transformed into a par-72 course of 6,246m (6,830y), where 14 of the 18 holes offer a view of the green from the tee and the remaining four from the second stroke.

Pula Golf has a large driving range with two levels, one of which is covered, and two putting greens. We also offer a short game area including three pitching greens and a large chipping green where you can practice every kind of shot. Pula Golf offers a broad calendar of amateur tournaments and among its services are a golf academy and fitness centre.

Over the years, Pula Golf has been the scene of prestigious events like the PGA European Tour Championships Mallorca, Mallorca Skin Games and the Olazábal & Nadal Invitational among others. Bourdy, Hanson, Jiménez, Fernández Castaño, Quirós, Olazábal, Clarke, Molinari, Kaymer, Canonica, García and Nadal are just some of the great personalities that have played at Pula Golf.
