On behalf of the European Golf Association, I am grateful to the Royal Spanish Golf Federation and to Real Sociedad Hípica Española Club de Campo for hosting the 2024 European Ladies' Team Championship.

There is no doubt that all competitors will be conscious of the privilege of representing their country and keen to win such a prestigious team trophy.

As always, the championship will be played in the friendliest atmosphere and many friendships will be made or renewed.

I hope that, as players, team captains, coaches, club or federation officials, all of you will also feel encouraged to support the game and its future generations and to uphold golf's traditions of integrity, fun, sportsmanship, friendship and elegance.

Best wishes to all for a most enjoyable event.

On behalf of the Royal Spanish Golf Federation, I have great pleasure to welcome all participants, captains and officials of the European Team Ladies' Championship in La Real Sociedad Hípica Española Club de Campo.

2024 EUROPEAN LADIES' TEAM CHAMPIONSHIP

Message from the RSHECC President

Dear players and members of the technical team,

It is my pleasure to extend the warmest welcome to the REAL SOCIEDAD HÍPICA ESPAÑOLA CLUB DE CAMPO (RSHECC) on behalf of all the members and myself. For our club, it is an honour to host the 2024 European Ladies' Team Championship, a competition in which Spain has played an extraordinary role, having achieved six titles.

In its more than 120 years of history, the RSHECC has extensive experience as a venue for top-level golf tournaments. Among other events, we have hosted the Spanish Open on three occasions (1956, 1960, and 1982), and more recently, in 2010, we hosted the Madrid Masters, a European Tour event.

Now, we are thrilled to have been chosen by the European Golf Association (EGA) to host this European Ladies' Team Championship. Our entire professional team is committed and excited about organizing this tournament. I trust that you will find our North Course to be an attractive and challenging course. On our part, we are looking forward to enjoying this great sporting spectacle and offer you all our hospitality to ensure that these days of competition become a wonderful sporting and personal experience.

I wish you much success.

Joaquín Ayuso García
President of the Real Sociedad Hípica Española Club de Campo

2024 EUROPEAN LADIES' TEAM CHAMPIONSHIP

CAMPO NORTE - HOLE BY HOLE DESCRIPTION

Hole 1: It is a very accessible par 5 as long as you put the ball on the fairway. Hole with clear recovery where you can get a birdie and sometimes even eagles with relative ease.

Hole 2: To the right or to the left of the oak tree? water or complicated rough? The position of the flag will define the difficulty of the hole.

Hole 3: Hole of apparent tranquillity, open and almost straight. Once again the position of the flag makes this an easy or difficult hole.

Hole 4: It is important to place the driver well, because the green is very defended and, if not, the second shot is much more complicated. Going over the green can be very expensive for your card...

Hole 5: This is a hole where you can show your skill as a player. You can deliver a spectacular blow. The wind can vary the choice of club.

Hole 6: Very long, the second most difficult hole on the course. Once again, driver placement is essential. Be careful when leaning too much on the left, as you can end up in the bad rough area between the 13th and 15th fairways or give a scare to a player who is playing on the 13th fairway.

Hole 7: Very long hole, but...the temptation to play it on the left carries a risk. Although the hole is greatly shortened, there are out of bounds and strategically placed bunkers.

Hole 8: What is easy can be very complicated. If you don't hit the green, any approach is complicated and you end up with a bad feeling.

Hole 9: Assuming that you have placed the driver correctly, the difficulty of this hole is on the green due to its complicated drops and flag positions.

2024 EUROPEAN LADIES' TEAM CHAMPIONSHIP

CAMPO NORTE - HOLE BY HOLE DESCRIPTION

Hole 10: Start the game carefully and stand to the left of the hole. The ladies have an advantage in general, they put the ball down. Caution, if we shorten to the left, the ball will remain in an impossible rough.

Hole 11: Do not be aggressive to avoid passing the green. Otherwise there will be a difficult return shot. The flag position can make it a very easy hole or a tremendously complicated one.

Hole 12: It is not difficult if you play with your head and strategy. The temptation is to shoot to the right to shorten, but most of the time, the state of the rough does not allow the ball to roll into the fairway. Better to hit center left.

Hole 13: This hole is a challenge to intelligence. And you have to analyze the strategy well. It has two possible exits on both sides of the stream that cuts through the street. Depending on the side of the stream where the bars are placed, one suit or another is played. If you miss the second hit, it's a nightmare.

Hole 14: The key is the second shot to a narrow, uphill green. Be careful, on the left it is complicated, there is a hazard. The field challenges you again, to devise an intelligent strategy.

Hole 15: Challenge for hitting players because they can reach the green with the driver knowing that the shot is blind. His thing is to be conservative.

Hole 16: The difficulty is in placing the ball on the flag platform. Choose the stick well. You will be able to contemplate a Sabina that is more than 500 years old.

Hole 17: It is a blind exit that should be played on the left. It wouldn't be a bad idea for the ladies to ring the bell when they came down. We would avoid more than one disappointment when we play ladies and gentlemen. We recommend looking back: wonderful views from the green.

Hole 18: It is one of the most difficult in the club, where "the eagles nest" is located. This hole is unforgiving. The prevailing wind is almost always against you and you have to hit a very strong driver, with the difficulty that the fairway is uphill. All shots are difficult on this hole, any mistake is costly.
