

SPANISH INTERNATIONAL LADIES AMATEUR STROKE PLAY CHAMPIONSHIP

Real Club de Guadalhorce Golf - 28 - 30 October 2022

The RFEF Rules, the Permanent Local Rules and the following additional local rules will apply:

OUT OF BOUNDS:

Defined by fences (chain-link fences), stakes, or white lines. In case of coexisting with more than one boundary object, the lines prevail over the other two and the stakes over the fences. It is recalled that the out of bounds is defined by the points closest to the field at ground level of stakes or fence posts.

There are two areas inside the course that are out of bounds:

The maintenance area between holes 7 and 8

The practice area between holes 1, 6 and 9

INTEGRAL OBJECTS (from which there is no relief):

The following are integral objects, and relief is not allowed: the angle supports, the brackets and the barbed wire terminations of the fences that define the out of bounds, as well as pipes, cables and other similar objects attached to those fences.

ABNORMAL COURSE CONDITIONS (relief without penalty is granted)

Concrete or carpeted driveways and all other driveways that carry gravel on the surface;

of the latter, free relief is allowed but only for the lie of the ball and the area of the swing, not for the stance.

Only those areas that are marked or identified as such are penalty areas. They are all red penalty areas. The island located between greens 11 and 17 is part of the red penalty area.
